How a Paper is Made.
"Every how is a newspaper made!"
The question is easy to ask.
But to answer it fully, my dear Sir,
We rather a difficult task;
And yet, in a hasty way,
As the whippersnapper in the glaze,
I venture a bit of a paper to make.
To tell how a paper is made.
An editor sits at his desk,
And ponder the things that appear
To be the thoughts of the world—
Things which, in his opinion, are
And when he has hit on a theme,
He judges it well to ponder,
He writes, and he writes, and he writes,
And that's how a paper is made.

And ponders the things that appear
To be the thoughts of the world—
Things which, in his opinion, are
And when he has hit on a theme,
He judges it well to ponder,
He writes, and he writes, and he writes,
And that's how a paper is made.
